TO MAKE EXCELLENT BIKES PERFECT!

Geachte Motorliefhebber,

Met trots presenteren wij deze **Mini-Catalogus** van MotoPro Sport. Dit "mini" formaat van onze kleuren jaar-catalogus bevat een zeer beknopt overzicht van ons gigantisch product assortiment.

Merk en Product uitbreiding

Het MotoPro Sport team volgt de markt op de voet en probeert voortdurend op de hoogte te blijven van de nieuwste motorfiets producten en technieken. Bij het samenstellen van ons assortiment kijken wij niet alleen naar de technische en kwalitatieve aspecten, maar luisteren wij ook goed naar de wensen van onze dealers.

Daarom hebben wij met ingang van 2006 weer vele nieuwe importeur / distributeurschappen met grote zorg aan ons assortiment toegevoegd. De nieuwe merken zijn; TechnoFlex, Odyssey, Wiseco, TrickShifter, Barnett, HifloFiltro, Esjot, Sigma Performance, Protec Plus, Yuasa, Translogic, APE Racing, Power Commander, Arata Exhausts en "binnenkort...".

Vraag naar kwaliteit,
vraag naar MotoPro Sport
producten...

Dear Motorcycle Enthusiast,

We proudly present this **Mini-Catalog** from MotoPro Sport. This "mini" version of our full colour catalogue contains a short overview of our enormous assortment of products.

Brand and Product expansion

The MotoPro Sport team keeps track of the market and continuously tries to keep informed of the newest motorcycle products and techniques. When compiling our assortment we don't only look at the technical and quality aspects, but we also listen to the wishes of our dealers carefully. That's why we added with great care from on 2006 many new importer / distributorships to our assortment. The new brands are; TechnoFlex, Odyssey, Wiseco, TrickShifter, Barnett, HifloFiltro, Esjot, Sigma Performance, Protec Plus, Yuasa, Translogic, APE Racing, Power Commander, Arata Exhausts and "soon...".
